# Women in Resources Awards

Lachlan Gavin & Pooja Haria

A crowd of almost 1000 glamorously heeled women and supporters came together to honour and celebrate their peers at the awards ceremony held by Chamber of Minerals and Energy of WA at the Perth Convention and Exhibition Centre. Among the esteemed winners were Rebecca Prain of Cube Consulting who was named the Women in Resources Champion and Alison van Lent who won the Technological Innovation Award. BHP was recognised in the company initiative category for office creche and family-friendly workspaces in Perth and Newman.
